Dear Pets SAS

**Re – Pet owner of Lou, Pets SAS ID – LOU926**

I Mrs A M Smith have requested for the statement to be added to my pet page that states in the event of my pet requiring emergency medical treatment when my pet is found, then I give my consent for the treatment if I cannot be contacted beforehand and confirm that I will arrange to pay the fees when I am reunited with my pet.

I understand that my pet page might not be seen or any treatment may not be carried out on my pet. Therefore, I will not hold Pets SAS responsible for this and will not claim damages. If treatment is given to my pet and something goes wrong, I understand that Pets SAS are not liable for this unfortunate event.

I hereby take responsible for my pet.

Yours sincerely

Mrs Anne M Smith
